## Outdoor Activity Options

Develop your team's skills by using teamwork to encourage communication and collaboration while absorbing the romance and knowledge of wine making.

- ❖ Barrel Obstacle course - 15mins

Barrels of fun! Traverse the vines and their surrounds to conquer our obstacles while rolling a wine barrel. You will have to be resourceful as a team to work out how to manoeuvre in this wine country

- ❖ Wine waiter race challenge - 15mins

Each team is given a wine tray with 4 wines to be delivered to your customer by relay down the vines. Each tray is lined with a perfectly white piece of paper...I think you can guess the aim here. Each team will be scored by best time & amount of wine spilled. Find ways to stabilize your wine glasses to increase speed or go for pace and accuracy. How risky are you?

- ❖ Cork tower challenge - 15 mins

Each team will be given a box of corks, pins, blue tac and rubber bands. You will be timed and each team's creation will be scored by Beauty, Construction, Height & Strength. Sculptor or architect both could win here.

- ❖ Golf amongst the grapes - 15mins

Get a hole in one. Each team member gets 5 attempts to gain scores towards the teams overall total. Get the ball into the ½ barrel or any of the surrounding target for varied scores. Go for the high score or try for lots of the easier targets to bulk up your total.

- ❖ Pruning & harvesting vines challenge - 30 mins (Available seasonally)

Work with our vineyard team to be a vintner for a day. You will be given a set of challenges designed by our wine maker that will be physical, but also will use your intelligence to make decisions about what to do with your vintage.

- ❖ + ADD ON - The Wine stomping experience (available seasonally) - 30 mins - Optional: this can include wine allocation of 3 bottles of your own wine which will be dispatched to the company 12 months later. This is \$40-65 extra pp depending on the variety picked

- ❖ Upgrade to get the full wine making experience after harvesting get the experience of foot stomping your own grapes to make your own batch of wine.

**NOTE:** In the case of bad weather where possible any outdoor activities that cannot be done indoors will be swapped out for one of our indoor options. If this is not possible and due to weather all or part of your activity program cannot go ahead it will be deducted from your bill.

## Indoor Activity Options

You can have the confidence to relax and know we have all bases covered for wet weather with range of exciting indoor options. Of course it does not have to be raining for these popular choices to be added to your itinerary.

- ❖ Wine tasting challenge - 15 mins - \$4 - \$6 extra pp depending on how many wines.

Become a connoisseur for a day. Your team will be given 2-4 mystery wines. There will be a table with taster glasses each holding actual characteristics that could be found within those wines. ie: burnt toast, lychees, chocolate etc. The team is then given a time challenge to write down the variety, year and as many characteristics as they can come up with on the nose or palette. You will be judged and scored on accuracy but also creativity so don't hold back on your whacky ideas of what you think, they may pay off.

- ❖ Make your own wood fired pizza challenge- 30 mins - \$6 extra pp – NOTE: Only available for exclusive use bookings or early/late itineraries not during peak service 12-3pm

Be a Chef for a day. The team must vote to hire a head chef from the team. "Chefs" be given all the ingredients needed to design an award winning pizza concept. They will then have to direct their kitchen crew to prep the toppings, roll the dough and cook the pizza which will be scored out of 10 by our guest judge.

- ❖ Food pairing challenge - 30 mins

Combine either the Wine Tasting or Wine Blending Challenge with this food pairing challenge to tie together all the knowledge required to be a real "Foodie". Each of the tasted or created wines will be presented alongside the pizza's created and teams will have to decide which wine to match with each of the created pizza's. Teams will have to present their choices and explain why. Our judge will choose a winner based on accuracy of the combination and the creativity.

- ❖ Wine blending activity - 30 mins \$7 extra pp

Receive 2-4 distinctive Passage Rock wines and blend them as a team to your own specific tastes. As wine makers for a day your creations will be blind tested by one of our vineyard experts and judged on balance, taste and creativity.

- ❖ Design your own team wine label - 15 mins

Enhance the story of your wine to sell the concept and romance of your label. Create a catch phrase/mission statement of your winery and design your logo. This will be added to the judging and could push you into the lead. How many people buy for the label?

- ❖ Cork tower challenge - 15 mins

Each team will be given a box of corks, pins, blue tac and rubber bands. You will be timed and each teams creation will be scored by Beauty, Construction, Height & strength. Sculptor or architect both could win here.

Free activities available onsite include croquet, trampoline & sandpit (for children)
