Passage Rock delivers one of the most relaxed and romantic event venues on Waiheke Island.

We specialise in making your wedding as memorable as our wines for you and all your guests. Our chef has created world-class menus to complement the wines and views.

Passage Rock is a love affair that follows the will of the seasons and the instincts of the vintner. The intertwined canes of the Passage Rock wreath

represent the endless cycle of these seasons and the many human elements that go into the making of wonderful wine and a beautiful life.
